

2024 Tatonka Racers,

Thank you very much for registering for this FUN fund raising event!! As a reminder all the proceeds from this event will go to the Matthew McClintock Foundation. So again thank you for helping us raise money to support this organization. We don't have a formal process for same day registration but if someone shows up with an extra 15.00 dollars, \$50.00 dollars total I'm sure we will figure it out!

Now some house keeping items:

The race will be held at New Mexico Veterans' Memorial this year which is located in Albuquerque off of Louisiana Blvd.

There is parking on both the North and South sides of the park. The start/finish of the race will be in the middle part of the park at the large grass field and amphitheater. There will be some cones in the parking lot please stay away from them as they are part of the course.

The weather can be variable so be prepared. Make sure you dress appropriately and bring a jacket, etc. for hanging out after the race for the awards and raffle. We will try to get the awards and raffle done in a timely fashion so you can enjoy the rest of your day.

At packet pick up you will be picking up your race number and t-shirt. We will try to have this as organized as possible but please be patient. If you want to purchase an extra t-shirt from previous years some will be available for sale.

We will try to start right at 10AM after the National Anthem.

The race course is marked with small and large orange cones and chalk markings. There are two parking lot crossings that will be manned with volunteers but it is still your responsibility to look before you cross. We will run in a clockwise direction, the 5K racers do two laps and will run through the amphitheater two times. There will be water and gatorade at the start/finish and at one point during the course.

As you cross the finish line we would like to get your race number so we can enter you in our raffle, we ask that you must be present to win so if you are not interested and need to leave please do not enter the raffle. We have some cool raffle items to give away. We have metals for the top 5 finishers, men and women.

The CORE Crew hopes you have a great time at New Mexico Veterans Memorial and enjoy the event. Results will be posted on Webscorer.com at the completion of the race, they will probably not be live as the WiFi at the start/finish is poor quality. Expect another email after the race with results and more!

THANK YOU

CORE Crew and Montoya Family
