

2019 Tatonka Racers,

Thank you very much for registering for this FUN fund raising event!! As a reminder all the proceeds from this event will go to the Green Beret Foundation. So again thank you for helping us raise money to support this organization. We don't have a formal process for same day registration but if someone shows up with an extra 15.00 dollars, 45.00 dollars total I'm sure we will figure it out!

Now some house keeping items:

Glorieta Camps is on private property and you will need to sign a waiver. You can do this online with the CORE Crew website. See the button labeled Glorieta Waiver, press return and follow the directions to sign you waiver. If you do not do this you may have to sign a waiver at the gate as you enter Glorieta Camps. Please be patient with the waiver process, the best part is it allows us to access the wonderful trails you are going to get to run on!!

Glorieta Camps is right off I25 north of Santa Fe. If coming from Albuquerque or south of Santa Fe stay on I25 thru Santa Fe, you will come to the Glorieta exit in about 10 miles. Take the Glorieta off ramp to the stop sign, turn left over I25 then turn left again towards Glorieta Camps. You will come to the gate in about 1/3 of a mile. You are there!

The parking is in the RV Park, there will be signs directing you to this area. Please try to park as tightly as possible as we usually have a pretty big crowd. There will be some cones in the parking lot please stay away from them as they are part of the course. All the parking is within two hundred yards of the start/finish area.

The weather can be variable so be prepared. Glorieta Camps is at about 8000 feet of elevation. So make sure you dress appropriately and bring a jacket, etc. for hanging out after the race for the awards and raffle. We will try to get the awards and raffle done in a timely fashion so you can enjoy the rest of your day!!

At packet pick up you will be picking up your race number and t-shirt. We will try to have this as organized as possible but please be patient. If you want to purchase an extra t shirt they will be available for sale after the race.

We will try to start right at 10AM after the National Anthem. We are still pondering as whether to have a big group start or start the 5 and 10K racers separately. We will announce this at the start.

The race course is marked with yellow caution tape. There also will be orange cones in some areas to help direct you. There are two road crossings that will be manned with volunteers but it is still your responsibility to look before you cross. Both of these road crossings are on Glorieta Camps private property so there is minimal traffic. There are some dirt roads you will also cross and these will also be marked but no volunteers will be at these sites. We will run in a clockwise direction, the 5K racers do one lap and the 10K racers 2 laps. There will be water and gatorade at the start/finish and the halfway point.

As you cross the finish line we would like to get your race number so we can enter you in our raffle, we ask that you must be present to win so if you are not interested and need to leave please do not enter the raffle. We have some cool raffle items to give away. We have metals for the top 5 finishers, men and women for both the 5 & 10K races.

The CORE Crew hopes you have a great time at Glorieta Camps and enjoy the event. Results will be posted on Webscorer.com at the completion of the race, they will probably not be live

as the Wifi at the start/finish is poor quality. Expect another email after the race with results and more!

THANK YOU

CORE Crew
